## COMMON SENSE

Lead most intelligent people to use only medicines of known composition. There is no mystery about the platform which will be adopted by the Democratic convention. It is generally understood throughout the country on what sort of a platform Mr. Bryan is willing to stand, and the public knows as much about it as I do.

When asked whether or not an "injunction" plank will be inserted in the platform, Mayor Dahlman admitted that in this respect the platform of the coming convention would probably differ from that of the former Bryan platform. He "doubted," however, that anything of the kind would be inserted in this respect, and in all probability the entire matter would await a visit of a number of men prominent in the labor movement to Mr. Bryan at his home in Lincoln. This conference, he said, might be held in the early part of next week.
